## Taraval Stations strategies are:

- Taraval Station provides the community with email addresses of the Commanding Officer and his Captain's Staff in the newsletter as well as Taraval Station's monthly community meetings and CPAB meetings. It is also provided on Taraval Station's website and SFPD website. Officers hand out business cards with their email/ contact information on contacts, traffic stops, and community meetings. #### Note the Following Unique Characteristics:

When in doubt, call 911

## PACKAGE THEFT PREVENTION GUIDE

### WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

### USE SPECIAL SERVICES

Use USPS special services like Signature Confirmation or Registered Mail to add a layer of security.

### REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the "gift" option to ensure package arrives in a plain box especially when ordering from a high-end store.

### NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

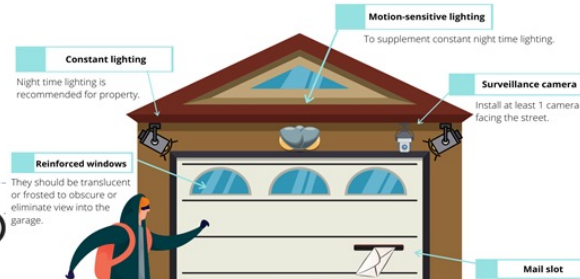

### PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

## CRIME PREVENTION TIPS FOR BURGLARY

Never leave your home doors unlocked or open. Use dead bolt locks, they are a great deterrent to burglars.

- When you leave, close and lock your windows. Many burglars enter homes and apartments through open windows. Windows on or near fire escapes should remain locked.
- Don't "buzz" strangers in. Don't permit unexpected utility workers, deliveries, or strangers into your home. Ask them for their I.D. and phone number to their office. Call 911 if you are not sure of their identity. Call the police to report suspicious activity.
- Give your home or apartment an "occupied look." Lights or a radio on automatic times may help deter burglars. Bright motion activated lights are a good deterrent as well.
- Install security cameras or burglar alarm. Most are DIY with easy installation and are assessable with an app on your smart phone.
- If your park your car inside your garage, lock the car doors. Burglars will steal garage door openers and come back when you are not home.
- Trim shrubs and branches away from doors and windows for better visibility.

## CRIME PREVENTION TIPS FOR ROBBERY

- Trust your instincts. If you sense trouble, get away as soon as possible.
- Show confidence. Walk at a steady pace, keep your head up and avoid carrying lots of packages...It can make you look defenseless.
- Don't look like an easy target. Robbers want someone who will provide the least resistance. If you look like you know where you are going, walk with your head up and eyes alert, you will most likely be left alone.
- Be observant.
- Remain alert and observe the people around you. Know who is walking behind and in front of you. Things to watch for include suspicious persons, people just loitering around or vehicles.
- Be aware of your surroundings. If you think you are being followed, go to a crowded area.
- Walk in well-lit areas. If possible, do not walk alone.
- Do not carry large amounts of money.
- Carry keys in your hand.

# Park Smart!

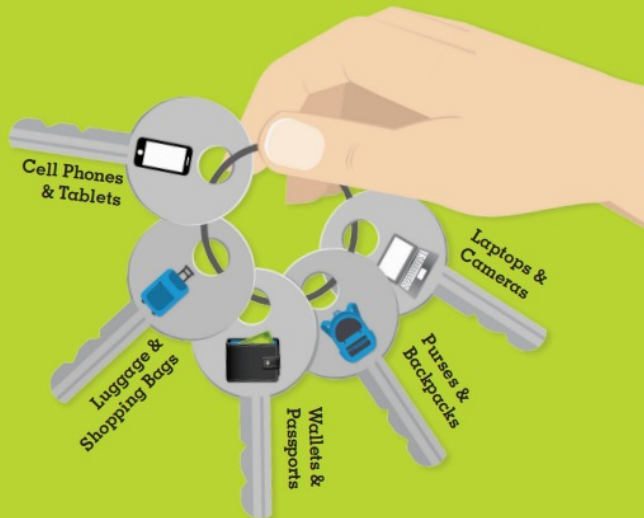

THE KEYS TO  
PARKED CAR  
SAFETY ARE IN  
**YOUR HANDS!**

**If you love it, don't leave it.**

## **DON'T TEMPT A CAR THIEF!**

Car thieves only need seconds to break into your car. So Park Smart, and especially keep your trunk clear.

**Take everything  
with you.**

### **Goal 3: Problem-Solving**

- Police Service Aids along with officers take many calls and share that information on the SFPD 509 problem solving form (request for passing calls). The Lieutenant's provide the information to the sector cars in line ups for increased patrols in problem areas.
- Members hand out resource guides, safety guides, and other problem-solving city resource guides during calls for service, community meetings, or through phone or email communications.

### **Supervisor Gordon Mar and Sunset District Community Leaders Announce Formation of Sunset Safety Network**

*Coalition of Sunset District groups working on a multi-pronged public safety strategy*

Supervisor Gordon Mar was joined by community leaders and the SF Police Department to announce the formation of the Sunset Safety Network and conduct a merchant walk to check on the safety of businesses. The Network convenes organizations such as SFPD Taraval Station, Sunset Safety Squad, People of Parkside Sunset, Outer Sunset Merchants and Professionals Association, and Wah Mei School to coordinate and expand public safety programs in the neighborhood.

"The formation of the Sunset Safety Network will bring together Sunset organizations for a multi-pronged and comprehensive public safety effort to ensure that our families, seniors, and neighborhood are safe," said Mar. "The Sunset Safety Network will coordinate with law enforcement, the volunteer-led Sunset Safety Squad, our merchant associations, and community based organizations to increase safety in the Sunset District."

Through Supervisor Mar's role on the Budget Committee, he funded the Sunset Safety Coordinator position now assigned to Wah Mei School in the Sunset District to coordinate the Sunset Safety Network.

"In my role as Sunset Safety Coordinator, I will work to bring together the voice and participation of small businesses, residents, immigrants, and seniors in the Sunset District," said Leon Chow, the newly hired Sunset Safety Coordinator. "I have already begun to regularly walk on Irving, Noriega, and Taraval to talk with merchants in the neighborhood and hear about their public safety concerns."

People of Parkside Sunset is a part of the coalition and represents Taraval merchants as well as Sunset residents. POPS has served the community for over 60 years and promotes the well-being of the Taraval Street corridor through street fairs, merchant fixers, business

promotions, and highlighting local businesses. The organization is also invested in the safety and security of the neighborhood.

"Small businesses and residents are tired of feeling unsafe in our very own neighborhood. As a small business owner, I constantly hear about burglaries and car break-ins and we're sick of it," said People of Parkside Sunset President Albert Chow. "It's about time we united our community to do something about it. The Sunset Safety Network will provide us the capacity to combine and sustain our efforts."

"I'm glad that our neighborhood merchants and residents are coming together to make our Taraval corridor safer," said Michael Hsu, who had his Footprint business burglarized three times in 2021. "Whenever a small business like mine is burglarized we have to sell a lot of shoes just to make up for our losses. I hope that these community-led efforts will lead to a prevention of crime in our neighborhood."

The Sunset Safety Squad was formed by Sunset residents last year in the wake of rising violence and harassment targeting seniors and the Asian community to promote public safety in the Sunset through education, outreach, language translation, safety walks, and a block safety program. It has over forty volunteers consisting of mostly young neighborhood residents volunteering their time. The volunteer-led organization has over 500 hours of volunteer time and an ongoing effort to recruit new volunteers from the neighborhood to join its ranks.

"The Sunset Safety Squad is excited to be united with law enforcement and other Sunset organizations to make our community safer, especially for many seniors and Asian community members that have been afraid to even walk on the street," said Alan Wong, who started the Sunset Safety Squad with neighborhood volunteers. "We are excited to forge ahead with these other groups to form neighborhood block safety groups, give out safety whistles, conduct safety walks, and be a visible safety presence for the Sunset District."

"I am using my position on the Board of Supervisors to increase public safety resources, programs, and engage the Sunset District's public safety concerns through a multi-pronged strategy," said Supervisor Mar. "By bringing the community and the Police Department together to grapple these challenging issues, we will be able to provide small business relief and seniors a feeling of security when they walk down the street."
